MEASUREMENT INSTRUCTIONS

- When measuring your dog always measure in centimetres using a flexible measuring tape. (i.e. a dressmakers tape.)
- Make sure you take firm measurements so we can get an accurate fit.
- Try and be as accurate as possible. Get someone to help you if your dog is difficult to keep still.
- Refer to the diagram of the dog on the next page to help understand the measurements.
- If you have any queries please don't hesitate to call us on (08) 9378 2272 It is important to get these measurements correct to make the pattern fit properly.
